

How to Create a Free Account with Skiff

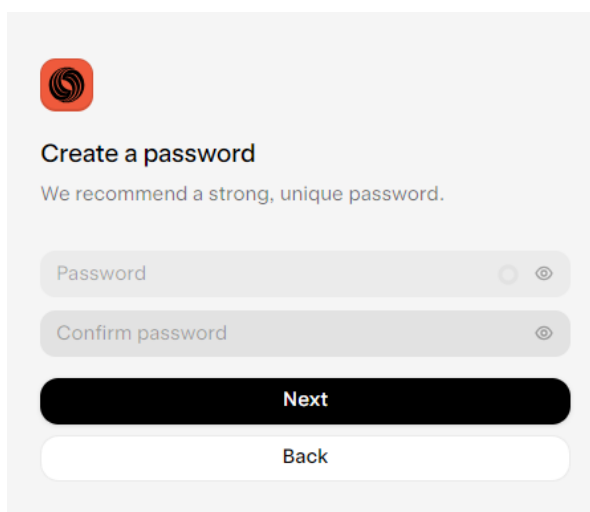

Time needed: 3 minutes

1. Go to <https://skiff.com/> in a web browser on your computer and click the Start for Free Button.
2. In the New email address box, enter the address you want to use for your free email address.

The screenshot shows the 'Create your account' page on Skiff. At the top left is the Skiff logo. Below it is the heading 'Create your account' and a welcome message: 'Welcome to a workspace that's secure, powerful, and totally private.' There is a text input field for 'New email address' with a placeholder '@skiff.com'. Below the input field are two buttons: a black 'Next' button and a white 'Back' button. At the bottom, there is a small disclaimer: 'By clicking Next above, you acknowledge that you have read and agree to Skiff's [Terms](#) and [Privacy Policy](#).'

3. Create and confirm a password.

The screenshot shows the 'Create a password' page on Skiff. At the top left is the Skiff logo. Below it is the heading 'Create a password' and a recommendation: 'We recommend a strong, unique password.' There are two text input fields: 'Password' and 'Confirm password', each with a toggle icon for visibility. Below the input fields are two buttons: a black 'Next' button and a white 'Back' button.

4. Copy or Download the Recovery key and save it in a secure place.
5. Add Back up email address.
